

Your Source for PowerHouse, Kanga and Boxer Equipment

COMPACT POWER, INC. WARRANTY REGISTRATION FORM

Compact Power, Inc. would like to thank you for purchasing our equipment. We are committed to providing you with the finest products and support available in the market today. To Provide unsurpassed product support, we require specific information from our customers. This information assists us in updating our database and enables us to provide you with important product service bulletins or updates, if necessary.

Currently, the CPI product warranty "start date" begins when the unit leaves the CPI warehouse. It may be several months before you purchase and receive your unit, therefore, CPI will reset your product warranty "start date" when the form below is completed and returned.

*Certain product warranty entitlements may be lost as a result of not returning this form.
